**Costs:**

- Band Camp Cost = **\$120.00** per student
  - This covers all lunches, afternoon snacks, dinner Friday, & extra activities
- Uniform Fee = **\$30.00** per student
  - This covers band camp shirt, shorts, polo, & cleaning fees
- Dinkles (Marching Shoes) = **\$35.00** per student (only those who need to order a pair)
- Total Marching Season Cost = **\$150.00** per student (or **\$185.00** per student if you need shoes)

Compared to the marching band fees charged by other 5A high schools in Oklahoma, this is several hundred dollars less than the average cost. **However, never allow financial concerns to prevent your child from participating in marching band.** Simply contact us and allow us to help you work this out. We will have several fundraising opportunities for students to participate in that will help cover these costs.

We are very excited about the 2024-2025 school year and looking forward to much success. All you have to do is be here and participate to the best of your ability. With another large incoming freshman class, our high school band will include 90+ members. Band camp is a very important time of instruction for the group as a whole, where we will be working on our pregame show, halftime shows, and stand tunes each day. We understand that some situations may arise that cause you to miss part of band camp. Please be sure to communicate with me as soon as you know there is a conflict so we can help you get any information you will miss during that time.

As always, please don't hesitate to reach out to me with any questions or concerns. Let's Go Bears!
